

Mission, Vision, Values & Strategic Priorities

 <p>Mission</p>	<p>To deliver hospice care of the highest standard to our patients and those important to them – now and in the future.</p>
 <p>Vision</p>	<p>We are part of a community where we treasure lives and everyone is supported to live well and die well.</p>
 <p>Values</p>	<p>Caring: We put care, compassion and dignity at the heart of everything we do. Aspiring: We are passionate about delivering services of the highest standard. Responsible: We are a responsible organisation that people can trust. Empowering: We support and enable people to make the choices that matter to them.</p>

Good Governance

Community Engagement

Highest Quality Care
