

# Fundraising Ideas

**Marathon** – Would you like to challenge yourself? Why not run a half or full marathon in aid of Willow Burn Hospice? This will put your body and mind to the test, but you will reap the rewards of helping sustain your local hospice. Ask our Fundraising Team to see if we have places available for the Great North Run

**Collection Box** – can you host a Willow Burn Hospice collection box or boxes in your home, shop or school? Ask your colleagues, friends or customers to donate their loose change; a little goes a long way. Simply call us to register your interest in a collection box: 01207 529 224

**Bake Sale** - Host a baking competition! Who can make the best cake? Whose was a baking disaster? Charge for each entry.

**Sponsored Swim** – How far can you swim? Unsure? Then put yourself to the test for a worthwhile cause.

**Shave your Head** – In need of a change and fancy a new style? Shave your Head for Willow Burn Hospice - a small change for you will result in a big change for those we support through your donations.

**Non-Uniform or Dress Up Day** – Do you want to unwind for the day or have a ‘best-dressed’ fancy dress competition? Then why not stick with the tradition of a non-uniform or dress-up day for a donation to your local hospice.

**Coin Hunt** – We hear how much money is stuck down the back of sofas, so why not see what you can find in your furniture? Take ten minutes during Willow Week to have a search in your furniture and in the car. What you can find for Willow Burn?

**Raffle/Tombola** – Stick with tradition and hold a raffle or tombola for your local hospice! If you like to feel lucky and give back to your community, support Willow Burn Hospice the next time you organise a raffle or tombola.

**Karaoke Night** – Love to sing and have a great sense of humour? If so, then organising a karaoke night could be just the event for you. A karaoke night is sure to bring laughter, joy, and a wonderful night out with family and friends.

**Jumble Sale** – Everybody loves a bargain so why not host a jumble sale? From crafts, to bric-a-brac, to books and household appliances; you always need something with a bargain price. If you don't fancy organising a sale, you could always donate to the Willow Burn Shops.

**Sponsored Cycle** – Do you enjoy cycling and want to take this passion to the next level? You could help support Willow Burn by doing the activity you love most.

**Football Tournament** – Do you love football and are in need of some competition? Why not organise a football tournament with friends or colleagues.

**These are just a couple of ideas to give you inspiration, we're sure you have lots of creative ideas to fundraise for Willow Burn. Every penny and thought counts, so whatever it is you do, you will be making a huge**
