

YOUR OPINION MATTERS

APRIL 2024 - JUNE 2024

Having kindness wrapped around you, someone just for you and listening without judgement.

From my time here I have seen a massive difference in myself. Even in ways I didn't think was possible. I have a much more positive outlook on life.

From the first session, I knew that I was in good hands. I have had a space to cry, to be angry, to be sad. Without any judgement what so ever. This box should be bigger and you would see the benefit, the very positive and life changing benefit this service has provided.

I was so sad when I arrived and broken hearted. Willow Burn has saved me and cannot say enough how much they helped me!

Found counselling a great help and has allowed me to feel more confident.
