

WILLO'BURN AT YOUR SERVICE

My name is Will O'Burn and my family and I live in the Willow Burn Gardens. We just love to eat roses, all of the roses we can find but we've heard it makes the Willow Burn gardeners and visitors sad. So to say sorry for our snacking, I have signed up as the newest recruit to the Volunteering Team.

As part of my role you can invite me to your school, community group or event - I love meeting new people. I hope to meet you soon

Best wishes
